

ANSWERED PRAYERS

The following statements are samples of answered prayer from people who have called or written to Francis MacNutt's Christian Healing Ministries requesting prayer for their individual needs. When CHM receives a prayer request, our intercessors agree to pray for these requests for two months, praying in one accord the Scriptures in *The Sword of the Spirit*. We acknowledge the request of the individuals with a card letting them know we will be praying for them, and we request that they send in their praise report as they see the prayers being answered. We receive so many praise reports, and feel that God is answering so profoundly and so quickly because we are in one accord praying His Word. It really is exciting to watch!

It is my prayer that groups like ours will spring forth all over the world praying God's Word in one accord. If we pray He will heal! It is happening and I praise Him for it!

Inner Healing

'I lost my son in an auto accident in December and have been unable to pray since then. After receiving a copy of *The Sword of The Spirit*, I prayed the Deliverance Prayer and was instantly relieved of a deep depression. I now pray with ease and can praise the Lord once more.'

'I asked for prayer after being at the point of committing suicide, within days after requesting prayer, my life began to make a complete turn around. I cannot believe all the miracles that have taken place. Thank you so much for all the prayer.'

'I have been experiencing much freedom from depression since beginning of March. I have been able to function at a better level at work. Did not notice PMS this month either. Only had a few low times. He is doing wonders. God bless all of you.'

'Your prayers turned my granddaughter's life around.'

‘I had called and asked for prayers for a friend’s daughter who had been given only days to live because of a very advanced case of anorexia. After I requested prayer, she began to get better, now she is greatly improved. Thank you so much for praying for her.’

‘Thanks so much for the prayers on my behalf. They are having an effect. I have had numerous insights, healings, loss of fear, and more desire to be open and loving and an increasing desire for closeness. It is amazing to me that this short time should produce such results when I spent months working with a psychologist (in a church setting) with very little change. I am deeply grateful for your ministry.’

‘I am now free of my addiction to prescription pills, bondage to satan, and an unforgiving attitude. Thank you so much for your prayers.’

‘Gary has changed. Praise God! Thank you for your prayers.’

‘My son was leading a homosexual lifestyle. I asked you to pray for him. I am so thrilled to tell you that he has changed, and is so much happier. He has given up his relationship, and finding himself interested in the opposite sex now. What a blessing. Thank you so much for praying for him.’

‘I have not taken antidepressants for six months, I had taken them for 9 years. I am in a healing process for childhood sexual abuse. I am also being more productive at work. Thank you for your prayers.’

‘Fran is making good progress in her battle over depression.’

‘You prayed for me to face my anger and hatred toward the Lord, and I am so blessed that you did. He has raised me up into a greater joy, and He has given me a desire for more prayer. Bless you all and thank you.’

You prayed for my daughter who was heavy into alcohol, and suicidal. You name it, she was into it!! Her life is completely changed now. She is happy, alcohol free, and wants to serve the Lord. Thank you so much for praying for her.’
