BLESSINGS OF THE LORD

All believing Christians are entitled to these Blessings and Promises when they walk in the way of the Lord. Perhaps you will find these few scriptures refreshing and uplifting as we live in these stressful times.

It seems that most of God's blessings are cause and effect examples. 'You do that, and I will do this for you'. Always remember that one's choosing to believe and confess that Jesus Christ is the Son of God results in the absolute free gift of salvation. He does not expect or require that we 'do' anything to receive this free gift of eternal life. Salvation simply means saved, saved from death-hell, into eternal life with Jesus and God the Father. One can be the worst sinner on earth, continue to sin, and still believe in Jesus Christ as the Son of God and have salvation and the promise of eternal life.

However, when the sinner comes to Jesus, confesses his sin, repents, asks God's forgiveness, and forgives all the people and situations in his/her life with whom they have harbored unforgiveness, then God seems to open the pipeline of abundant life and blessings. When this happens a person truly becomes a 'new creation in Christ, the old things pass away and behold all is made new'. Remember, forgiveness and repentance are ongoing, lifelong processes – when these flow, the blessings flow.

It has been my observation that when people confess all of their sins before the Lord and forgive all who have ever caused them hurt or harm, and receive the Lord into their life as a 'heart' commitment, not a 'head' commitment, then, the power of the Lord flows through them and they experience that 'unrelenting love' that creates in them a deep desire to be obedient to God, and keeping His Word becomes a joyful way of life and is surely not a burdensome task. It is at this point that we begin to experience the Kingdom of heaven 'eternal life' which is right here on earth.
